

Community Supported Art (CSA) at the Sanctuary

Artists are like farmers.

Given time, space, resources, and a hospitable climate, they will produce things that bring health and happiness to others.

The Community Supported Art (CSA) program at the Sanctuary, modeled after similar programs used by small farms, cultivates a mutually beneficial relationship between artists

and audiences. Shares are offered for the **Spring** (March-May), **Summer** (June-Aug) and **Fall** (Sept-Nov) seasons, with the option of participating in one, two, or all three of the available seasons. CSA members receive one piece of artwork each month for the seasons they are enrolled in, with three unique artworks in each season, totalling nine in the year.

In previous years, members have received ceramic bottles, handmade books, framed block prints, and metal jewelry. The artworks created are a reflection of the lab facilities housed at the Sanctuary, and the participating artists are part of the volunteer team that offer low-cost services to the arts community in Arcata and beyond.

Local CSA members can pick up their shares at the Sanctuary during Arts Arcata on the second Friday of each month, or on Saturdays between noon and 6pm. Mail-order CSA members will have their shares safely packaged and shipped monthly via the USPS.

To enroll, please fill out the form below and deliver, along with payment, to the Sanctuary.

Sanctuary CSA Subscription Form

Please select one:

- Local partial share
(three-month) **\$75**
- Local full share
(nine-month) **\$225**
